

# LEE'S TAX AND FINANCIAL SOLUTIONS

Credit to Home" program entails:

1. **Personalized Credit Analysis:** Our team of experienced professionals will meticulously analyze your credit report to identify negative items that may be affecting your credit score.
2. **Targeted Dispute Process:** We will prepare bureau letters and other necessary documents tailored to address and resolve the identified negative items on your credit report.
3. **Personal Information Security:** To protect your privacy, we will freeze your personal information with five major credit companies, ensuring that your data remains secure throughout the process.
4. **Assistance with FTC Disputes:** If there are any questionable accounts or inquiries on your credit report, we will assist you in filing complaints with the Federal Trade Commission (FTC) for further investigation.
5. **Aggressive Credit Repair:** To maximize the effectiveness of our credit repair efforts, we will pursue additional avenues such as the Consumer Financial Protection Bureau (CFPB) and Better Business Bureau (BBB) to challenge and rectify any unfair or inaccurate credit reporting.

**Timely Communication and Follow-up:** Once the bureau letters are prepared, we will promptly mail them off on your behalf. It is common for individuals to see results after the first round, and while completion times may vary, it is typical to see significant improvements within 3-4 months.
